[Request for Timely Response to Previously Submitted Motions on Inclusive Literature and Practice](#)

9 May 2026

We acknowledge and regret that prior motions on neurodiversity-inclusive literature did not receive a timely response.

This motion will be referred to the IDEA Committee for further review. We commit to providing a written response within 30 days and to initiating a focused review process to better understand how our materials can support our neurodiverse members.

This work will be approached with care, transparency, and realistic scope given our volunteer structure.

The RDG Board of Directors commits to continual review of our materials in service of the Recovery Dharma community, to improve and expand our materials to support newcomers, and to promote sustainable recovery practices for all.
